### Trustees, Treasurers and Area Service Directors

#### Guidelines

- The Board of Trustees is composed of the ASD, Trustees and the ASF Treasurer.
- The Area Service Director (ASD) position is an annual appointment made by the incoming Area President (AP), for that year.  
The term of office begins July 1 and ends June 30 of the following year.
- There shall be at least three Trustees, and not more than five.
- Trustees shall serve a three year term.
- Trustees may serve two consecutive terms, but must rotate off the Board of Trustees for a minimum of one year before being eligible for reappointment to any additional terms.
- A general practice guideline, but not a requirement - we try to have trustees from different geographical parts of the USA, if possible.
- Each year, the incoming Area President re-appoints the trustee with the expiring term, or appoints a new trustee.
- The Treasurer of the Board of Trustees is appointed by the Area Service Director.
- On the chart below, for each year, are the following names:
  - The name of the Area Service Director (ASD) that is appointed by the Area President.
  - The name of the Treasurer that is appointed by the ASD.
  - The name of the Area President (AP) is next to the Trustee that he/she appointed.
