### Thoughts:

With all the talk about the coronavirus and the stock market plunge, we know everyone is affected. It is not to be ignored or to be made light of. We need to look at the scriptures for leveling out the interrupted feeling that come about. Isaiah 43: 1-3 has these words, “...*Do not fear, for I have redeemed you; I have summoned you by name; you are mine. When you pass through the waters, I will be with you; and when you pass through the rivers, they will not sweep over you. When you walk through the fire, you will not be burned; the flames will not set you ablaze. For I am the Lord your God, the Holy One of Israel, your Savior.*”

### Coming Meeting: 6:00 PM on Tuesday, March 17, 2020 at Hiawatha Y:

The program will be a presentation by Judy and her husband on their experiences in India. **Dan** and **Julie** will explain more at the meeting.

**Wendy** and **Paul** will provide the meal. Devotional thought \_\_\_\_\_.

### Last Meeting: March 3, 2020:

Janice provided some questions for each person to answer and then the sheets were spread around so each had one and not their own. As the data was presented, the rest of us guessed as to who it was. In addition, we discussed club activities. A board meeting was then scheduled for Monday, March 9<sup>th</sup> for 11:30 at Currans.

**Janice** provided the meal and **Wendy** provided the devotional thought.

### Flower Sales:

Even with snow on the ground, **Dick** talked about the flower sale again this year. He passed out the flower order form with the date of March 17<sup>th</sup> as the date to have your order in! That is pushing it for an opportunity to sell flowers to friends but he is convinced that we can do it. Do your best to meet the date and then when you have additions, just apologize and give him your data.

### Board Meeting:

Most board members showed up and, of course, we covered multiple subjects even though they were not all on the agenda. There will be a report at this next meeting. You can be prepared by thinking of the Y Service Club programs and how much money you feel should go to each. Keep in mind that we are not a rich club.

Another serious subject is what proposed projects should our club take on to improve our financial status. This is not a new subject but rather a continuous unsolved one.

*To acknowledge the duty that accompanies every right.*

### Y's Alliance:

The Y's Alliance was distributed to your e-mail box on March 9<sup>th</sup>. If you did not get it, please advise me so we can get your membership data updated.

### International News:

The International Convention is scheduled to be in Odense, Denmark on August 13-16. There will also be a Youth Convocation which begins a few days earlier. If you plan to go, submit your registration by May 16<sup>th</sup> so you do not have to apologize for being late.

The next International Convention is the 100<sup>th</sup> Anniversary of Y's Dom to be held in Hawaii. You will not want to miss this special of all conventions especially since it is within the US Area. Previously I told you to start saving dimes so you could go. If you have not been saving dimes then it is now time to start saving quarters!! I assume that there will be handicap facilities for those aged 100 or less who need it.

### Schedule of Coming Events:

March 17	Presentation on India (Program provided by <b>Dan</b> and <b>Julie</b> )
April 7	Next club meeting
August 13-16	International Convention in Odense, Denmark
Summer 2021	US Area Convention
Summer 2022	100 <sup>th</sup> Anniversary International Convention in Hawaii

### Live Life to its Fullest:

@ You forget names but it's OK because other people forgot they even knew you.

@ You sleep better on a lounge chair with the TV blaring than you do in bed.

@ Everybody whispers.
